

How to Do Business with Music City Center

Under the direction of the Convention Center Authority, Music City Center utilizes the Metropolitan Government of Nashville & Davidson County business database, iSupplier, to notify interested vendors and suppliers of procurement opportunities. A business must be registered in Metro's iSupplier portal in order to receive notification of opportunities and/or to work with Music City Center. Registration is required for prime contractors and subcontractors.

For more information or to register, visit the Metro Finance Procurement Division website at <https://www.nashville.gov/departments/finance/procurement/how-do-business-metro>.

Diverse Business Enterprise Program

The Convention Center Authority and Music City Center are committed to equity, diversity, and inclusion by supporting Metropolitan Government of Nashville & Davidson County's Equal Business Opportunity program and facilitating a Diverse Business Enterprise program.

DBE businesses must meet established criteria and must be certified* to be considered small, minority-owned, women-owned, and/or service-disabled veteran-owned businesses. Certifications must be submitted to Metro's Business Assistance Office (BAO) to be eligible for DBE contracts.

For more information on Metro's Equal Business Opportunity program, visit the Metro BAO website at <https://www.nashville.gov/departments/finance/procurement/business-assistance-office>.

***Convention Center Authority reserves the right to question and/or refuse any certificate submitted.**
