From: Purchasing Department
Date: June 21, 2022
Subject: Inquiries and Responses
ITB#: 105 – 2022 Acoustic Ceiling Repair

Inquiries and Responses:

- 1. What is the delivery route to bring in 30' If long material that is required for this project?**

Deliver to dock level 3 and use escalator to level 4.

- 2. Has it been determined that the two meeting rooms will be in-service at any time or off-line during this project?**

They will be in service.
