**A. Selection Process.**

The Authority is using the Competitive Sealed Proposals method of source selection, as authorized by Section 3.3 of its Procurement Policy. The Authority may, as it deems necessary, conduct discussions with Responsive and Responsible Offeror(s) determined to be reasonably susceptible of being selected for award for the purpose of clarification to assure full understanding of, and responsiveness to solicitation requirements. Award(s), if made, will be made to the Responsive and Responsible Offeror(s) whose proposal and qualifications are most advantageous to the Authority. Responses to this RFP will be evaluated by an evaluation committee appointed by the Director of Purchasing/DBE or designee, in consultation with the Authority, (the “Evaluation Committee”). The Evaluation Committee shall be comprised of subject matter experts for the specific procurement. The Evaluation Committee may be Convention Center Authority team members, consultants, or employees of other governmental agencies or citizens with no business conflicts with the potential Vendors. The Evaluation Committee shall then score all proposals based upon the evaluation factors detailed herein. Evaluation will be based on consensus scoring of the Evaluation Committee based on committee deliberations of the proposals. Scores will not be an averaging of individual committee members’ scores. Upon completion of the consensus scoring, the committee may recommend short-listing the proposals that are potentially acceptable and unacceptable. The detailed evaluation that follows the initial examination may result in more than one finalist. At this point, the Authority may request presentations by Offerors, carry out contract negotiations for the purpose of ultimately obtaining offers that are in the best interests of the Authority, and conduct detailed reference checks on the short listed Offerors. The Authority reserves the right to contact any and all references to obtain, without limitation, information regarding the Offeror’s performance on previous projects. A uniform sample of references will be checked for each short-listed Offeror. Should a successful contract negotiation not be

reached in a timely manner, the Authority reserves the right to select another proposer as the vendor.

**B. Evaluation of Proposals.**

The Music City Center staff will first examine proposals to eliminate those which are clearly non-responsive to the stated requirements. The Evaluation Committee will evaluate all responsive and responsible proposals and qualifications based upon the selection criteria set forth herein. - 9.1. **Liability Insurance.** Throughout the Agreement Term, Contractor shall, at its sole expense, obtain and maintain in full force and effect the following types and amounts of insurance: (i) commercial general liability insurance in the amount of no less than one million dollars (\$1,000,000.00) each occurrence

combined single limit for bodily injury and property damage, including, without limitation, contractual liability, personal injury, products and completed operations; (ii) automobile liability insurance in the amount no less than one million dollars (\$1,000,000.00) each occurrence combined single limit for bodily injury and property damages, including owned, non-owned and hired auto coverage, as applicable, unless a lesser amount is approved by Authority; and workers compensation insurance with statutory limits required by the State or other applicable laws and employer's liability insurance with limits of no less than one hundred thousand dollars (\$100,000.00).

**9.2. Additional Insurance Terms.** Any and all insurance obtained pursuant to Section 7.1 shall (i) contain or be endorsed to contain a provision that includes Authority, its officials, directors, officers, agents, and employees (collectively, its "Representatives") as additional insureds with respect to liability arising out of work or operations performed by or on behalf of Contractor including materials, part, or equipment furnished in connection with the Services; (ii) contain no special limitations on the scope of its protection afforded to Authority or its Representatives; (iii) be the primary insurance covering Authority and its Representatives for any claims related to this Agreement; and (iv) contain or be endorsed to contain a waiver of subrogation against Authority and its Representatives. Any insurance or self-insurance programs covering Authority or its Representatives shall be excess of Contractor's insurance and shall not contribute with it.

- A. With respect to any and all insurance obtained pursuant to Section 7.1, Contractor shall: (i) place such insurance with an insurer that shall have no less than an "A-, Financial Size VII" rating according to A.M. Best's Company rating and shall be authorized to do business in Tennessee; (ii) replace certificates, policies and/or endorsements for any such insurance expiring prior to the end of the Agreement Term; and (iii) provide certified copies of endorsements and policies in lieu of or in addition to certificates of insurance.
- B. If Contractor has or obtains primary and excess policies, there shall be no gap between the limits of the primary policy and the deductible features of the excess policies.
- C. Contractor shall require that all subcontractors maintain from the time they are subcontracted and thereafter throughout the remainder of the Agreement Term commercial general liability insurance, business automobile liability insurance and worker's compensation/employers liability insurance (unless subcontractor's employees are covered by Contractor's insurance) in the same manner as specified above for Contractor. Contractor shall provide such subcontractor's certificates of insurance to Authority.
- D. Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously as provided hereinabove and, without lapse, for a period of one year beyond the expiration of this Agreement, to the effect that, should occurrences during the term of the Agreement give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies. This tail coverage requirement may be waived by Authority in writing where appropriate.

**9.3. Indemnification and Hold Harmless by Contractor.** Contractor shall indemnify and hold harmless Authority and its Representatives from (i) any claims, damages, costs and attorney fees for injuries or damages arising, in part or in whole, from the negligent or intentional acts or omissions of Contractor, its officers, employees or agents, including its sub- or independent contractors, in connection with the performance of this Agreement; and (ii) any claims, damages, penalties, costs and attorney fees arising from any failure of Contractor, its officers, employees or agents, including its sub- or independent contractors, to observe applicable laws, including, but not limited to, labor laws or minimum wage laws. The provisions of Section 9.3 and Section 9.7 shall survive the expiration or termination of this Agreement.

**9.4. No Indemnification or Hold Harmless by Authority.** Authority will not indemnify, defend or hold harmless in any fashion the Contractor from any claims arising from any failure, regardless of any language in any attachment, exhibit or other document that the Contractor may provide.

**9.5. Insurance Risk.** Contractor bears the risk of inadequacy or failure of any insurance or any insurer.

- 9.6. No Increase in Licensor Liability.** This Agreement shall not impose any liability on Authority that would not otherwise be imposed, increase any liability limit that would otherwise apply or waive any defenses or immunity that would otherwise be available under applicable law, including, but not limited to, the Tennessee Governmental Tort Liability Act.
- 9.7. Copyright, Trademark, Service Mark, or Patent Infringement.** Contractor shall, at its own expense, be entitled to and shall have the duty to defend any suit which may be brought against Authority to the extent that it is based on a claim that the products or services furnished by Contractor infringe a copyright, trademark, service mark or patent. Contractor shall further indemnify and hold harmless Authority against any award of damages and costs made against Authority by a final judgment of a court of last resort in any such suit. Authority shall provide Contractor immediate notice in writing of the existence of such claim and full right and opportunity to conduct the defense thereof, together with all available information and reasonable cooperation, assistance and authority to enable Contractor to do so. No costs or expenses shall be incurred for the account of Contractor without its written consent. Authority reserves the right to participate in the defense of such action. Contractor shall have the right to enter into negotiations for and the right to effect settlement or compromise of any such action, but no such settlement or compromise shall be binding upon Authority unless approved by Authority.
- A. If the products or services furnished under this Agreement are likely to, or do become, the subject of such a claim of infringement, then without diminishing Contractor's obligation to satisfy the final award, Contractor may at its option and expense: (i) procure for Authority the right to continue using the products or services; (ii) replace or modify the alleged infringing products or services with other equally suitable products or services that are satisfactory to Authority, so that they become non-infringing.; and/or (iii) remove the products or discontinue the services and cancel any future charges pertaining thereto. Parties agree that Contractor will not exercise the (iii) option until Authority and Contractor have determined that options under (i) and (ii) are impractical.
- B. Contractor shall have no liability to Authority, however, if any such infringement or claim thereof is based upon or arises out of: (i) the use of the products or services in combination with apparatus or devices not supplied or else approved by Contractor; (ii) the use of the products or services in a manner for which the products or services were neither designated nor contemplated; and/or (iii) the claimed infringement in which Authority has any direct or indirect interest by license or otherwise, separate from that granted herein.

## **SECTION 10. TERMINATION.**

- 10.1. Breach.** Should Contractor fail to fulfill in a timely and proper manner its obligations under this Agreement or if it should violate any of the terms of this Agreement, Authority shall have the right to immediately terminate the contract if Contractor does not cure such breach within thirty (30) days of the date it receives written notice from Authority reasonably specifying each such breach. Such termination shall not relieve Contractor of any liability to Authority for damages sustained by virtue of any breach by Contractor.
- 10.2. Lack of Funding.** Should funding for this Agreement be discontinued, Authority shall have the right to terminate the Agreement immediately upon written notice to the Contractor.
- 10.3. Notice.** Authority may terminate this Agreement at any time and for any reason upon thirty (30) days written notice to Contractor. Should Authority terminate this Agreement, Contractor shall immediately cease work and deliver to Authority all completed or partially completed satisfactory work.

Contractor will not do or suffer to be done anything during the Agreement Term in violation of any such laws, ordinances, rules or regulations. If the attention of Authority is called to any

such violation on the part of Contractor or on the part of Contractor's employees, Contractor shall immediately desist from and correct or cause to be corrected such violation.

- 11.2. Taxes and Licensure.** As, in part, set forth on Exhibit C, Contractor shall have all applicable licenses and be current on its payment of all applicable gross receipt taxes and personal property taxes. Authority shall not be responsible for any taxes that are imposed on Contractor. Furthermore, Contractor understands that it cannot claim exemption from taxes by virtue of any exemption that is provided to Authority.
- 11.3. Maintenance of Records.** Contractor shall maintain documentation for all charges against Authority and for the services provided hereunder. The books, records, and documents of Contractor, insofar as they relate to work performed, or money received, under the contract, shall be maintained for a period of three (3) full years from the date of final payment and will be subject to audit, at any reasonable time and upon reasonable notice by Authority or its duly appointed representatives. Said documents shall also be made available for inspection and/or copying by any state, federal or other regulatory authority, upon request from Authority. Said records include, but are not limited to, all drawings, plans, specifications, submittals, correspondence, minutes, memoranda, tape recordings, videos or other writings or things which document the procurement and/or performance of this Agreement. All goods, documents, records, and other work product and property produced during the performance of this Agreement are deemed to be Authority property. Contractor may keep one (1) copy of the aforementioned documents upon completion of the contract; provided, however, that in no event shall Contractor use, or permit to be used, any portion of the documents on other projects without Authority's prior written authorization.
- 11.7. Modification of Agreement.** This Agreement may be modified only by written amendment executed by all parties and their signatories hereto. All change orders, where required, shall be executed in conformance with Section 4.24.020 of the Metropolitan Code of Laws of Authority's Procurement Policy, as applicable.

of Authority, which consent shall not be unreasonably withheld or delayed. Any such assignment or transfer shall not release Contractor from its obligations hereunder.

Any matters not provided for herein shall be decided by Authority in its sole discretion, reasonably exercised, and such decision shall be binding on Contractor.
- 11.14. Waiver.** In order to be binding on Authority, any waiver of any term in this Agreement must be in writing and signed by a duly authorized officer of Authority.
