This tail coverage requirement may be waived by Authority in writing where appropriate.
- 9.3. Indemnification and Hold Harmless by Contractor.** Contractor shall indemnify and hold harmless Authority and its Representatives from (i) any claims, damages, costs and attorney fees for injuries or damages arising, in part or in whole, from the negligent or intentional acts or omissions of Contractor, its officers, employees or agents, including its sub- or independent contractors, in connection with the performance of this Agreement; and (ii) any claims, damages, penalties, costs and attorney fees arising from any failure of Contractor, its officers, employees or agents, including its sub- or independent contractors, to observe applicable laws, including, but not limited to, labor laws or minimum wage laws. The provisions of Section 9.3 and Section 9.7 shall survive the expiration or termination of this Agreement.
- 9.4. No Indemnification or Hold Harmless by Authority.** Authority will not indemnify, defend or hold harmless in any fashion the Contractor from any claims arising from any failure, regardless of any language in any attachment, exhibit or other document that the Contractor may provide.
- 9.5. Insurance Risk.** Contractor bears the risk of inadequacy or failure of any insurance or any insurer.
- 9.6. No Increase in Licensor Liability.** This Agreement shall not impose any liability on Authority that would not otherwise be imposed, increase any liability limit that would otherwise apply or waive any defenses or immunity that would otherwise be available under applicable law, including, but not limited to, the Tennessee Governmental Tort Liability Act.
- 9.7. Copyright, Trademark, Service Mark, or Patent Infringement.** Contractor shall, at its own expense, be entitled to and shall have the duty to defend any suit which may be brought against Authority to the extent that it is based on a claim that the products or services furnished by Contractor infringe a copyright, trademark, service mark or patent. Contractor shall further indemnify and hold harmless Authority against any award of damages and costs made against Authority by a final judgment of a court of last resort in any such suit. Authority shall provide Contractor immediate notice in writing of the existence of such claim and full right

and opportunity to conduct the defense thereof, together with all available information and reasonable cooperation, assistance and authority to enable Contractor to do so. No costs or expenses shall be incurred for the account of Contractor without its written consent. Authority reserves the right to participate in the defense of such action. Contractor shall have the right to enter into negotiations for and the right to effect settlement or compromise of any such action, but no such settlement or compromise shall be binding upon Authority unless approved by Authority.

- A. If the products or services furnished under this Agreement are likely to, or do become, the subject of such a claim of infringement, then without diminishing Contractor's obligation to satisfy the final award, Contractor may at its option and expense: (i) procure for Authority the right to continue using the products or services; (ii) replace or modify the alleged infringing products or services with other equally suitable products or services that are satisfactory to Authority, so that they become non-infringing.; and/or (iii) remove the products or discontinue the services and cancel any future charges pertaining thereto. Parties agree that Contractor will not exercise the (iii) option until Authority and Contractor have determined that options under (i) and (ii) are impractical.
- B. Contractor shall have no liability to Authority, however, if any such infringement or claim thereof is based upon or arises out of: (i) the use of the products or services in combination with apparatus or devices not supplied or else approved by Contractor; (ii) the use of the products or services in a manner for which the products or services were neither designated nor contemplated; and/or (iii) the claimed infringement in which Authority has any direct or indirect interest by license or otherwise, separate from that granted herein.

SECTION 10. TERMINATION.

- 10.1. Breach.** Should Contractor fail to fulfill in a timely and proper manner its obligations under this Agreement or if it should violate any of the terms of this Agreement, Authority shall have the right to immediately terminate the contract if Contractor does not cure such breach within a reasonable timeframe from the date it receives written notice, not to exceed thirty (30) days, from Authority reasonably specifying each such breach. Such termination shall not relieve Contractor of any liability to Authority for damages sustained by virtue of any breach by Contractor.
- 10.2. Notice.** Authority may terminate this Agreement at any time and for any reason upon sixty (60) days written notice to Contractor.
- 10.3. Transfer of Data.** In the event of a breach or termination as here described, the Contractor shall preserve the Authority's data in its entirety at the time of said breach or termination for one hundred eighty (180) days. The Authority will provide Contractor instructions on data transfer.
- 10.4. Consequential Damages.** Neither party shall be responsible to the other for any special, incidental, indirect or consequential damages.

SECTION 11. MISCELLANEOUS.

Contractor will not do or suffer to be done anything during the Agreement Term in violation of any such laws, ordinances, rules or regulations. If the attention of Authority is called to any such violation on the part of Contractor or on the part of Contractor's employees, Contractor shall immediately desist from and correct or cause to be corrected such violation.
- 11.2. Taxes and Licensure.** As, in part, set forth on Exhibit C, Contractor shall have all applicable licenses and be current on its payment of all applicable gross receipt taxes and personal property taxes. Furthermore, Contractor understands that it cannot claim exemption from taxes by virtue of any exemption that is provided to Authority.
- 11.3. Maintenance of Records.** Contractor shall maintain documentation for all charges against Authority and for the services provided hereunder. The books, records, and documents of Contractor, insofar as they relate to work performed, or money received, under the contract, shall be maintained for a period of three (3) full years

Inspection of Records.** All documents and supporting materials related in any manner whatsoever to the contract or any designated portion thereof, which are in the possession of Contractor or any subcontractor or sub-consultant shall be made available to Authority for inspection and copying upon written request from Authority. Said documents shall also be made available for inspection and/or copying by any state, federal or other regulatory authority, upon request from Authority. Said records include, but are not limited to, all drawings, plans, specifications, submittals, correspondence, minutes, memoranda, tape recordings, videos or other writings or things which document the procurement and/or performance of this Agreement. All goods, documents, records, and other work product and property produced during the performance of this Agreement are deemed to be Authority property.
