Inquiries and Responses:

1. In bid documents, page 4 under contractor's responsibilities, it's mentioned to provide dedicated GFIC 20 AMP per specs. Does this include providing GFIC breakers?

Owner (MCC) will provide the breakers. The awarded contractor will provide the GFI receptacle.

2. It was mentioned during the project viewing, that the Owner will provide any replacement tile and paint. Can you please confirm?

Owner (MCC) will provide the tile and paint need to complete the project.
