Welcome to Nashville!

And to the Hospitality of Music City Center

Here we celebrate the culture, warmth, and vibrancy of our truly one of a kind city. Our menu is a culinary expression celebrating Nashville in that very same spirit.

Bringing our food to life is Executive Chef Max Knoepfel. In support of regional authenticity and local bounty, Chef Max and the Music City Center embrace our partnerships with local and regional farms and businesses. This menu is dedicated to the simple idea of making sure every guest gets an honest and authentic taste of Nashville.

As evidence of this philosophy, the Music City Center is proud to announce that it has been awarded REAL Certification by the U.S. Healthful Food Council. This award reflects our commitment to holistic nutrition and environmental stewardship.

Our commitment to our customers and community is, in part, accomplished through the use of local produce, sustainable sourcing and offering healthful menu options. We purchase the greatest portion of our seasonal produce from a variety of 68 local/regional farms. We also donate all safe leftover food to various local nonprofit organizations and have a composting program on site.

Thank you for choosing Music City Center where celebrating your event also celebrates our exciting community.

Here’s to a successful event in Nashville,

General Information

Food Service and Catering Policies

Exclusive Provider of Food and Beverage within Music City Center

The Music City Center retains the exclusive right to provide, control and maintain all food and beverage services within the Music City Center. Please note that no food or beverage of any kind may be brought into these premises by the event organizers, their guests or other invitees. We offer custom designed catering and retail food and beverage services for all types of events. Concessions, the sale or provision of alcoholic or non-alcoholic beverages, and the provision of snacks, treats or candies are included under our exclusive rights. All food and beverage samples brought into these premises must have the approval of the Music City Center in writing prior to the event and adhere to the published sampling guidelines.

Food and Beverage Pricing

A good faith estimate of food and beverage prices will be provided six (6) months in advance of the event’s start date and will be confirmed at the signing of the contract. Due to fluctuating market prices, however, we reserve the right to make product substitutions based on specific commodity price increases.

Catered Service

Payment Policies

In order to guarantee services, pre-payment is required on all contracts. A deposit of 90% of the total estimated contract value will be required with your signed catering contract a minimum of 30 days in advance of the first function. The remaining balance due shall be paid in full five (5) business days (Monday – Friday) prior to the start of the function. Final payment for event charges in addition to those estimated on the contract must be paid at the conclusion of the event by a company check, certified or cashier check or they will be assessed to the credit card used to authorize the event. If the event is of a nature that additional charges may be incurred, a completed credit card authorization form must be provided by the customer as a guarantee of payment for services rendered.

Guarantees

Guaranteed guest count is required three (3) business days/seventy two (72) hours prior to your event. The Music City Center will prepare 5% over (not to exceed an additional twenty-five meals) any guaranteed count given three business days prior. If meals for this overage are utilized due to a guest count above the guarantee, they will be charged for. Five percent overage preparation does not pertain to box lunches. Any increase to final guest count given less than 72 business hours prior to the event will be handled on an individual basis and according to availability.
Pricing

Prices, along with menus, are often provided well in advance of an event. Due to fluctuating market prices, our menu prices are subject to change. The Music City Center will gladly lock in and guarantee menu selection pricing within 60 days of your first catered event with a signed contract, signed event orders and a deposit per our stated deposit policy. Please note that we require a minimum of 3 working business days in advance of the deadline to complete all of the necessary paperwork. Special table seating or floor design may result in additional charges. A service charge, applicable sales tax and zone fee will be added to all food and beverage sales. If the customer is a tax-exempt organization, copies of the pertinent tax-exempt certificates are required with your signed banquet contract. If the certificates are not received, prior to invoicing, taxes will be collected on all invoices. If more than one entrée is offered at the event, the price of each entrée will be that of the higher priced entrée.

Service Charge

A service charge of 23% is added to your bill for the catering service. 39% of the total amount of this service charge is a "house" or "administrative" charge which is used to defray part of the cost of providing the service and other house expenses. 61% of the total amount of this service charge is distributed to the employees providing the service as a gratuity.

Supplemental Staffing

Unless indicated otherwise, charges for the staffing of your function are included in our menu prices provided the guaranteed minimum sales requirements are met. For plated lunches and dinners, the provision of this labor at no added cost is based on a 1 to 20 staff to patron ratio and tables of 8 to 10 persons. On a seated breakfast this ratio is 1 to 25. For buffets, included staffing is based on a 1 to 50 staff to patron ratio. When you request additional staffing, over and above what is normally provided, the following hourly rates will apply:

- Banquet / Beverage Server $175.00 (For 4 Hours or Less)
- Bartender $175.00 (For 4 Hours or Less)
- Chef / Carver $175.00 (For 4 Hours or Less)

Additional Hours Above the Required Four (4) Hour Minimum are $40.00 per Hour

In all carpeted meeting rooms and ballrooms, china service will automatically be used for all meal services, unless our compostable Greenware is requested. All food and beverage events located in the exhibit halls and non-carpeted areas, with the exception of plated meals, are accompanied by compostable Greenware. If china is preferred, the following fees will apply:

- Breakfast, Lunch, Receptions and Dinners: $2.00++ per Person, per Meal Period
- Refreshment or Coffee Breaks: $2.00++ per Person, per Break

The Music City Center provides in house linen for all meal functions with our compliments. Additional linen fees will apply for specialty linens or linens required for meeting functions. Please contact your catering sales representative for more information.

Food Storage, Delivery and Production Services

If an organization requires food preparation, heating, or cold storage, or other kitchen services, arrangements must be made no later than three (3) weeks in advance of the start of the event. Cancellation
A charge will be assessed for cancellation of contracted services within fifteen (15) days of an event. The charge will be calculated to cover material and labor costs (including administrative) incurred by the Music City Center as a result of the anticipated event as well as the foregone profit margin associated with the canceled event should the date not be rebooked by another customer. Any event canceled within seventy-two (72) business hours (Monday – Friday) prior to the event requires payment in full for the estimated revenue based on the menu and event arrangements.

Contracts
In order to execute your event, a signed copy of the catering contract along with your 90% deposit must be returned to Centerplate at the Music City Center. The signed contract with its stated terms constitutes the entire agreement between the client and the Music City Center. A signed contract with deposit will lock in prices within the policy stated above.
